SECURE PAYMENT FOR CONCIERGE SERVICE

Visa Services Canada, Inc. is pleased to offer the most secure means of payment available in Canada for the processing of your concierge service.

INTERAC e-Transfer®

Interac e-Transfer is a funds transfer service between personal and business accounts at Canadian banks and other financial institutions. You do not have to provide any account details or even a credit card number to our company.

Our staff never see any of your account details when you use an e-transfer method of payment. You deal only with your bank or financial institutions to make payment in a totally secure environment right from your home or office.

HOW IT WORKS

1. Fill in the entire visa application form, and send it and the passport scan to our office by courier or e-mail as applicable.
2. Our professional staff review your application and determine the total payment for the concierge service to be made by you.
3. Our staff send you an e-mail detailing the full and final charges. This email will contain all the instructions for making the e-transfer. It will include the e-mail and security codes, and step-by-step instructions for you.
4. You, or a friend or relative acting on your behalf, make the e-transfer to VSC for all the concierge service charges and fees.
5. It takes up to 30 minutes for the bank to send the e-transfer notification to our office. We then receive the funds and can then pay the embassy on your behalf. Payment must be received before the concierge service can be started on your behalf.

YOUR E-MAIL ADDRESS

Applicants **MUST** provide at least one (1) working and monitored e-mail address on the VSC cover page so that our staff can contact you with details of the payment. Please provide two.

An application form without a typed, correct, and monitored e-mail address cannot be processed.

Applicants who respond immediately are assisted first. Applicants who do not respond within three days (72 hours) will have their applications cancelled and their passports prepared for return. Failure to respond promptly may result in you missing your journey.
