VISA SERVICES CANADA

SECURE PAYMENT FOR TOURIST & VISIT VISAS

Visa Services Canada, Inc. is pleased to offer the most secure means of payment available in Canada for the processing of your tourist or your visit visa. This is the mandatory payment form. As of January 2017 tourist/visit clients must pay by e-transfer. Credit card is no longer accepted.

INTERAC e-Transfer®

Interac e-Transfer is a funds transfer service between personal and business accounts at Canadian banks and other financial institutions. You do not have to provide any account details or even a credit card number to our company. Our staff never see any of your account details when you use an e-transfer method of payment. You deal only with your bank or financial institutions to make payment in a totally secure environment right from your home or office.

HOW IT WORKS

1. Fill in the entire visa application form, including the VSC cover page above, and send it to our office by courier or e-mail as applicable.
2. Our professional staff review your application and determine the total payment (including taxes and shipping) to be made by you.
3. **Our staff send you an e-mail detailing the full and final charges. This email will contain all the instructions for making the e-transfer. It will include the e-mail and security codes, and step-by-step instructions for you.**
4. You, or a friend or relative acting on your behalf, make the e-transfer to VSC for all the visa processing charges and fees.
5. It takes about 30 minutes for the bank to send the e-transfer notification to our office. We then receive the funds and can then pay the embassy on your behalf. Payment must be received before the embassy can be approached with your application and supporting documents.

YOUR E-MAIL ADDRESS

Applicants **MUST** provide at least one (1) working and monitored e-mail address on the VSC cover page so that our staff can contact you with details of the payment. Please provide two email addresses if possible.

An application form without a typed correct and monitored e-mail address cannot be processed. Please provide a working and monitored email address.

Applicants who respond immediately are assisted first. Applicants who do not respond within three days (72 hours) will have their applications cancelled and their passports prepared for return. Failure to respond promptly may result in you missing your journey.

EMBASSY REGISTRATION

For your personal safety and security we can register you with the embassy of Canada in the country or countries to which you will travel on your upcoming business or tourist journey.

During times of national emergency such as natural disasters, war, or bombings, the government of Canada may seek out all Canadian nationals in a disaster or security zone. Canadians who are registered are the first ones found and can be the first evacuated in some cases.

This is a fast and efficient way of ensuring the Canadian Government can find you in case of an emergency, and can give your family some security during your travels.

- **YES, please register my trip with the government** (\$20. fee per person)
