## EMBASSY REGISTRATION

For your personal safety and security we can register you with the embassy of Canada in the country or countries to which you will travel on your upcoming business or tourist journey.

During times of national emergency such as natural disasters, war, or bombings, the government of Canada may seek out all Canadian nationals in a disaster or security zone. Canadians who are registered are the first ones found and can be the first evacuated in some cases.

This is a fast and efficient way of ensuring the Canadian Government can find you in case of an emergency, and can give your family some security during your travels.

- **YES, please register my trip with the government** (\$20. fee per person)
